Hello,

Thank you for reaching out to us. When your **loan** is closed, the amount of digital assets locked for that **loan** will be shown as owed to you in the account from which the amount showing as owed originated.

However, please note the following:

As more fully explained in our [blog](#), Celsius and certain affiliates have filed voluntary petitions for Chapter 11 Bankruptcy relief to stabilize our business and implement a restructuring that maximizes value for all stakeholders. For general information, please visit this [website](#).

All withdrawals, Swap, and transfers between accounts continue to be paused. Any assets showing as owed to you that are unlocked when you repay and close an outstanding **loan are subject to the pause.**
